

# 5th womens' martial arts summer in Preddöhl

## 22.07. - 27.07.2018

Dear women and girls,  
we would like to invite you to the 5th womens' martial arts event in Preddöhl / Brandenburg / Germany.

This womens' martial arts week is open for all women who have trained at least one year in martial arts and who would like to get new inspiration and insight into different martial arts and who would like to train, learn and grow together with others. This event is also open for girls 13+ who train at least three years in a martial art on a regular basis. After the martial arts week we want to celebrate our 10th anniversary. We would be very happy if you could arrange staying a day longer.

Preddöhl International e.V. is responsible for the management of a wheelchair accessible education center on a farm in the small village Preddöhl, Prignitz, Brandenburg (Germany) which is located about 120 km between Hamburg and Berlin. There you can go on long walks or go swimming in the lake right next to the village, 10 minutes walking distance. The farm itself offers lots of nice and quiet places and lots of animals to watch. You can also book a lesson in horse riding or - if you have enough experience - go out and explore the surroundings while horse back riding.

Herewith we would like all different abled women and girls interested in coming to get in touch with us in advance to talk about possible barriers and find solutions.

The farm offers:

24 beds in a guest house (6 beds / room), each room with its own bathroom

6 beds in caravans

there is a big field for camping on the farm
